Mrs. Bennett Candidate.

Mrs. Samuel Bennett, formerly of this city, is a candidate for the nomination for member of the Board of Education of Lexington, Saturday's Lexington Leader contains the following notice, which will be of interest here, where Mrs. Bennett has many relatives and friends:

"Mrs. Samuel Bennett, of 173 Woodland avenue, has accepted the position nomination for member of the City Board of Education from the Fifth Ward in place of Mrs. Frank Gentry, who recently announced her withdrawal because of the pressure of household duties. A sub-committee from the Fusion Campaign Committee, composed of Col. W. R. Milward and Mr. W. H. Barnes, waited on Mrs. Bennett, Thursday afternoon and secured her consent to accept the nomination tendered her by the whole committee. Mrs. Bennett is a well-known club woman and has for a number of years been deeply interested in educational and civic advancement. That Mrs. Bennett will add strength to the ticket goes without saying and if elected will make a useful and influential member of the Board."

Short Tobacco Crop.

The Cincinnati Enquirer's annual tobacco crop report shows the weed to be 30 per cent short of the crop of 1910. The report says: A conservative estimate of the burley acreage may now be made as follows: Kentucky, 142,653 acres; Indiana, 9,670 acres; Ohio, 20,789 acres; West Virginia and scattering sections, 10,000 acres; total, 183,089 acres. The harvested acreage in 1910 was 284,000 acres. This year's burley has greatly improved towards the end of the season, but the dark tobacco section makes a poor showing.

WAR DECLARED.

Catastrophes Must Be Con-
quered or Health Will
be Destroyed.

If you have catarrh you must vanquish an army of persistent, destructive microbes before you can get rid of it. You might as well choose your weapons, declare war and annihilate this army of catarrh germs right now.

Stomach-dosing won't kill them; neither will sprays or douches. HYOMEL, a pleasant, antiseptic, germ destroying air breathed over the entire membrane will put catarrh germs out of business in short order.

HYOMEL (pronounce it High-o-mel) is guaranteed by R. L. Middleton to end catarrh, asthma, bronchitis, coughs, colds and croup, or money back. If you own a little HYOMEL hard rubber pocket inhaler you can get a separate bottle of HYOMEL for only 50 cents. If you have not an inhaler buy a complete outfit this only costs \$1.00.

Public Sale.

On Saturday, November 18, 1911, at 2 p. m. I will sell at public sale my residence on Orchard street containing seven rooms and all necessary outbuildings. Good store house on the lot.

J. R. PARKE.

Former Madisonian Honored.

Mr. Joseph S. Joplin, formerly of Richmond, has been elected secretary of the Bloomington, Illinois, Business Men's Association. The Bloomington Daily Bulletin contains the following notice concerning Mr. Joplin's election:

"The directors of the association held a special meeting in their rooms in the Grisham building, Friday evening, with a full attendance, and elected Mr. Joseph S. Joplin secretary. Mr. Joplin was present, and, in a brief review of the situation, accepted."

"The question of a secretary had been under advisement many months, and has not been an easy one to solve in view of the large number of applications that have been received by the committee."

"The directors and several of the larger commercial establishments have been extremely anxious to obtain the services of a man peculiarly adapted to undertake the important work now so necessary for the upbuilding of Bloomington in every respect, and after a thorough canvass, it was decided to offer the position to our fellow townsman, Mr. Joplin, who had not sought the place, believing his acquaintance with conditions, acquired through closer touch with the city's commercial affairs best fitted him to represent the Association."

"Special inducements were made him and in view of other offers under consideration by Mr. Joplin, all of which would have taken him elsewhere, the Association is to be congratulated in this fortunate conclusion."

Mr. Joplin is well remembered in Richmond, having married Mrs. Belle Harber Hume, of this city, and was engaged in the furniture business here for several years. His many friends will be pleased to learn of Mr. Joplin's selection as secretary, and all are glad to know the esteem in which he is held in Bloomington.

End of World Near.

The second coming of Christ and end of the world are presaged by the war in which Turkey and Italy are engaged. This is the view held by the Seventh Day Adventists, according to the Rev. Kit C. Russell, of Takoma Park, D. C., an exponent of that faith.

"The adventists have maintained for many years," said Mr. Russell, "that the refusal of the powers to help the Turk, his final expulsion from Europe and the scramble for his territory by the nations would be the signal for the appearance of Christ. The basis for this belief is the prophecies in the Bible."
